

Christmas 2021 Giving and Offsite Volunteer Opportunities

Thank you so much for your interest in getting involved with Helping Hand Home's 2021 Christmas. Here are a few important guidelines to follow during the holiday season for giving and volunteering!

1. We only accept brand new items

- To give our children the best quality of care and ensuring the safety of our children and staff, we are not able to accept previously owned/used donations.

2. We do not accept unplanned drop offs at the door

- Any donation drop off needs to be scheduled with our Donor Relations Manager, Ally Smith at Asmith@helpinghandhome.org

3. Please contact HHH before any office Toy Drives or donation drive fulfillments.

- Due to limited storage space, we ask you contact us before any donation drive is put in place. **We have specific needs this holiday season that we would love to fulfill that are beyond toys.** We also have a specific number of kids that live here so we would like to plan accordingly. Please fill out the donation sheet link below to request a donation drop off.
