### **Combined Financial Statements**

# Helping Hand Home for Children, Inc. and Helping Hand Home for Children Foundation

As of and for the years ended June 30, 2021 and 2020 with Report of Independent Auditors

#### Report of Independent Auditors

To the Board of Directors of Helping Hand Home for Children, Inc. and Helping Hand Home for Children Foundation

We have audited the accompanying combined financial statements of Helping Hand Home for Children, Inc. and Helping Hand Home for Children Foundation (collectively, "Helping Hand"), which comprise the combined statements of financial position as of June 30, 2021 and 2020, and the related combined statements of activities and changes in net assets, combined statements of functional expenses, and combined statements of cash flows for the years then ended, and the related notes to the combined financial statements (the "Combined Financial Statements").

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Helping Hand as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Austin, Texas

#### Notes to Combined Financial Statements

As of and for the years ended June 30, 2021 and 2020

### 1. Organization and Purpose

Helping Hand Home for Children, Inc. (the "Home") is a private nonprofit corporation formed in 1893 under the laws of the State of Texas, and governed by the membership of the Helping Hand Society. The Home provides a place to heal for abused, neglected and abandoned children. The Home provides a residential treatment center, foster care program, adoption services, and a charter school for emotionally disturbed children, and advocates for greater public support of early prevention, intervention, and treatment. The Home is the oldest continuously operating residential childcare agency in Travis County, a priceless resource kept strong and viable through community support.

The Residential Treatment Center focuses on supplanting the self-protective beliefs and socially inappropriate behaviors of the children with prosocial beliefs and collaborative behaviors. The children reside at the home and all of their needs are met through the Home. The UT Charter School (the "School"), in partnership with the University of Texas, is located on the campus of the Home and enhances the treatment plans of the children for their academic and behavioral needs. The School helps the most socially and academically challenged children by equipping them with the skills they need to succeed in the public school system.

Funding is provided primarily by state and local governments and contributions from the general public.

Helping Hand Home for Children Foundation (the "Foundation") was incorporated in 1994 for the purpose of receiving and maintaining a fund or funds of real or personal property, or both, for the Home. The Foundation is organized and operated exclusively for the benefit of, and to further the activities and purpose of, the Home. The Foundation holds and invests funds given to it for the benefit of the Home.

### 2. Summary of Significant Accounting Policies

### **Basis of Accounting**

The combined financial statements of Helping Hand Home for Children, Inc. and Helping Hand Home for Children Foundation (collectively, "Helping Hand" or the "Organization") have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") as defined by the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"). Net assets, revenues and expenses, and gains and losses are classified based on the existence or absence of donor-imposed restrictions.

Notes to Combined Financial Statements (continued)

### 2. Summary of Significant Accounting Policies (continued)

The combined financial statements are presented in accordance with FASB ASC Topic 958-205, *Not-for-Profit Entities Presentation of Financial Statements*, which requires Helping Hand to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restriction and net assets with donor restriction. In addition, Helping Hand is required to present the costs of providing various programs and other activities on a functional basis in the combined statements of activities. Costs are allocated between supporting services or the appropriate program service based on evaluations of the related benefits. Supporting service expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of Helping Hand.

#### **Use of Estimates**

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. On an ongoing basis, Helping Hand evaluates its estimates, including those related to the useful lives of property and equipment, among others. Helping Hand bases its estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results could differ from the estimates made by management with respect to these items and other items that require management's estimates.

### **Cash and Cash Equivalents**

Helping Hand considers all highly liquid investments acquired with an original maturity of three months or less at the date of purchase to be cash equivalents. Cash equivalents are stated at cost, which approximates market value, because of the short maturity of these instruments.

Notes to Combined Financial Statements (continued)

### 2. Summary of Significant Accounting Policies (continued)

### Cash and Cash Equivalents, Restricted

Cash and cash equivalents, restricted, consist of highly liquid investments acquired with an original maturity of three months or less at the date of purchase to be cash equivalents. Cash equivalents are stated at cost, which approximates market value, because of the short maturity of these instruments. The Organization has received restricted contributions for the expansion of its East Campus. The unexpended portion of such contributions are classified as "Cash and cash equivalents, restricted" in the accompanying combined statements of financial position.

#### **Concentration of Risk**

Financial instruments that potentially subject Helping Hand to concentrations of risk consist of cash and cash equivalents, accounts receivable, and investments. Helping Hand maintains its cash and cash equivalent balances in highly rated financial institutions, which at times may exceed federally insured limits. Periodic excess deposits are due primarily to the timing of contributions and grant collections. Helping Hand has not experienced any loss relating to cash and cash equivalents in these accounts.

The Foundation has significant investments in money market funds, stocks, and bonds and is therefore subject to risk. Investments are made by investment managers engaged by the Foundation and are monitored by the Foundation's Board. Though the market value of investments is subject to fluctuations based on market activity, management believes the investment policy is prudent for the long-term welfare of the Home.

Funding sources representing more than 10% of Helping Hand's total accounts receivable and revenue at June 30, 2021 and for the year then ended are as follows:

	Accounts Receivable	Revenue	
Source A	22%	23%	

Additionally, one fundraising event represents 99% of Helping Hand's fundraising revenue for the year ended June 30, 2021.

Notes to Combined Financial Statements (continued)

### 2. Summary of Significant Accounting Policies (continued)

Loss of these funding sources could have a material adverse impact on Helping Hand's financial position and results of operations.

#### **Accounts Receivable**

Accounts receivable are recorded at net realizable value. The Home continuously assesses the collectability of outstanding balances. In estimating this allowance, the Home considers factors such as: historical collection experience, age of the receivable balance, both individually and in the aggregate, and general economic conditions that may affect an entity's ability to pay. At June 30, 2021 and 2020, the Home did not provide for an allowance for doubtful accounts, as all amounts outstanding were deemed collectible. If amounts become uncollectible, they will be charged to expense when that determination is made

### **Capital Campaign Pledges Receivable**

Capital campaign pledges receivable consists of legally-enforceable contributions to support the construction of the East Campus Expansion that have not yet been collected. Legally enforceable capital campaign pledges, less an allowance for uncollectible amounts, are recorded in the year made unless the pledge contains a donor-imposed conditional. Capital campaign pledges expected to be collected over multiple years are discounted to present value, if the discount is material. At June 30, 2021 and 2020, the Home did not provide for an allowance for doubtful accounts, as all amounts outstanding were deemed collectible. If amounts become uncollectible, they will be charged to expense when that determination is made.

#### **Investments**

The Foundation has adopted the provisions of ASC 320, *Investments-Debt and Equity*. Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values based on quoted prices in active markets in the combined statements of financial position. All interest, dividends, and realized and unrealized gains and losses are reported in the combined statements of

Notes to Combined Financial Statements (continued)

### 2. Summary of Significant Accounting Policies (continued)

activities as an increase or decrease in net assets without donor restrictions unless use is temporarily or permanently restricted by explicit donor stipulations or by law. Any investment received as a gift is recorded at the fair value on the date of receipt.

### **Property and Equipment**

Property and equipment are carried at cost or, if donated, at the estimated fair market value at the date of the donation less accumulated depreciation. Depreciation is computed utilizing the straight-line method over the estimated useful lives of the related assets. When depreciable assets are sold or retired, the related cost and accumulated depreciation are removed from the accounts. Any gains or losses are included in the Home's statements of activities. Major additions and betterments with a cost greater than or equal to \$5,000 and a useful life greater than one year are capitalized. Maintenance and repairs which do not materially improve or extend the lives of the respective assets are charged to expense as incurred.

#### **Fair Value of Financial Instruments**

The Foundation follows ASC 820, Fair Value Measurements and Disclosures. Those provisions relate to the Foundation's financial assets and liabilities carried at fair value and the Foundation's fair value disclosures related to financial assets and liabilities. The Foundation groups its assets and liabilities measured at fair value in a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets, with valuations obtained from readily available pricing sources for market transactions involving identical assets or liabilities; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable, such as quoted prices for similar assets or liabilities; quoted prices in market that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

Notes to Combined Financial Statements (continued)

### 2. Summary of Significant Accounting Policies (continued)

The level of the fair value hierarchy in which the fair value measurement falls is determined by the lowest level input that is significant to the fair value measurement.

The Foundation's financial instruments consist principally of common stocks, mutual funds, corporate bonds, and government bonds. As shown in Note 5, these investments are categorized as Level 1 as they are valued at the closing price reported on the active market on which the individual securities are traded. The valuation may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Foundation believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Foundation recognizes transfers between levels at the end of the reporting period as if the transfers occurred on the last day of the reporting period. There were no transfers during the years ended June 30, 2021 or 2020.

### **Recognition of Donor Restrictions**

Unconditional promises to give are recognized as revenues or gains in the period received, and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Helping Hand considers all contributions (unconditional promises to give) to be contributions without donor restrictions unless the restriction is a donor-imposed stipulation specifying a use for the contribution that is more specific than the broad limits resulting from the nature and purpose of the organization and its continuing programs. Contributions without donor restriction are recorded as an increase in net assets without donor restrictions available in the period in which the notice of the unconditional promise to give is received.

Contributions or grants which result in new and nonrecurring programs as well as contributions received as the result of a capital campaign for the acquisition, construction or rehabilitation of property and equipment are considered contributions with donor restrictions.

Notes to Combined Financial Statements (continued)

### 2. Summary of Significant Accounting Policies (continued)

Contributions or grants that contain a donor-imposed stipulation where the contributions cannot be used until a future period are recorded as time restricted contributions, which are recorded as increases in net assets with donor restriction in the period in which the notice of the grant award is received.

Net assets with donor restrictions are reclassified to net assets without donor restriction in the period in which the use restriction has been met or the time restriction has lapsed. Contributions of property and equipment are classified as donor-restricted and are released from restriction when placed in service.

Contributions that contain donor-imposed stipulations that permanently restrict the entity's ability to use the funds are classified as contributions with donor restrictions.

### **Revenue Recognition**

The Home earns revenue on state contracts monthly that is based on the number of children served. The Home receives contributions from private donors. In addition, the Home receives revenue related to two significant fundraising events. The Home records tickets purchased by event attendees in advance of the event as deferred revenue, and recognizes the revenue on the date of the respective event.

#### **Allocation of Common Costs**

The Home allocates common costs among program services, management and general, and fundraising by a study of the Home's activities at the start of each grant or contract. The resulting allocations are reviewed periodically, and the allocations are revised, if necessary, to reflect changes in activities of the Home.

#### **Income Taxes**

The Home and the Foundation are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code ("IRC"). Additionally, the Home and the Foundation are public charities under the IRC Sections 509(a)(1) and 170(b)(1)(A)(vi). Therefore, no provision for income taxes is made in the accompanying combined financial statements.

Notes to Combined Financial Statements (continued)

### 2. Summary of Significant Accounting Policies (continued)

Helping Hand evaluates uncertain tax positions, if any exist, under ASC Topic 740, *Income Taxes*. Helping Hand accounts for uncertainty of income taxes based on a "more-likely-than-not" threshold for the recognition and de-recognition of tax positions, which includes the accounting for interest and penalties relating to tax positions. Helping Hand does not have any unrecognized tax benefits resulting from its tax positions at June 30, 2021 or 2020.

Helping Hand recognizes interest and penalties related to unrecognized tax benefits as a component of income tax expense. No such interest or penalties were recognized during the periods presented. Helping Hand had no accruals for interest and penalties at June 30, 2021 or 2020.

### **Recent Accounting Pronouncements**

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. This ASU will supersede the revenue recognition requirements in Topic 605, *Revenue Recognition*, and most industry-specific guidance, and creates guidance for when revenue should be recognized from the exchange of goods or services. ASU No. 2020-05 was issued in June 2020 to defer the effective date of ASU 2014-09 for private companies that have not yet issued their financial statements (or made financial statements available for issuance) reflecting the adoption of ASC 606. After this deferral, this standard is effective for annual reporting periods beginning after December 15, 2019. This standard has been adopted in the financial statements for the period ended June 30, 2021. The adoption of ASC 606 did not have an impact on the financial statements.

In September 2020, the FASB issued ASU 2020-07, *Not-for-Profit Entities (Topic 958):* Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. The amendments in this update require not-for-profit entities to present contributed nonfinancial assets as a separate line item in the statement of activities and to disclose additional information about contributed nonfinancial assets to provide additional transparency about their use in the entity's programs and other activities. Retrospective application is required. The amendments in the update are effective for

Notes to Combined Financial Statements (continued)

### 2. Summary of Significant Accounting Policies (continued)

annual periods beginning after June 15, 2021. Early adoption is permitted. Management is currently evaluating the effect of these provisions on the Organization's financial position and results of operations.

### **Subsequent Events**

Subsequent events have been evaluated through November 15, 2021, which represents the date the financial statements were available to be issued, and no events have occurred through that date that would impact the financial statements.

### 3. Capital Campaign Pledges Receivable

Capital campaign pledges receivable are summarized as follows:

	June 30,					
	2021	2020				
Expected to be collected in: Less than 1 year 1-5 years More than 5 years	\$ 1,586,643 2,875,042 50,000 4,511,685	\$ 540,006 868,505 285,172 1,693,683				

Notes to Combined Financial Statements (continued)

### 4. Property and Equipment

Property and equipment consist of the following:

	June 30,		
	2021 2020		
Land	\$ 659,380	\$ 659,380	
Building and equipment Vehicles	4,281,037 170,152	4,613,389 150,388	
East Campus Expansion construction in progress	3,875,710	593,692	
	8,986,279	6,016,849	
Less: accumulated depreciation	(2,815,778)	(2,844,990)	
Property and equipment, net	\$ 6,170,501	\$ 3,171,859	

The estimated useful lives are three to forty years for building and equipment, and five years for vehicles. Depreciation relating to the Home's property and equipment for the years ended June 30, 2021 and 2020 was \$164,696 and \$162,386, respectively.

The Organization is expanding its East Campus, and expects to complete construction in 2022. As of June 30, 2021, the Organization incurred and capitalized costs in "Construction in progress" in the amount of \$3,875,710. The estimated costs to be incurred in future years to complete construction of the East Campus are approximately \$9,083,000

### 5. Retirement Plan

The Home established a pension plan in 1991, which was later converted to a 401(k) retirement plan (the "Plan") for the benefit of employees. The Plan allows for bi-weekly contributions through payroll deductions. Individual employee contributions vary. The Home makes discretionary contributions to the Plan determined annually by the Board of Directors. The Home's contribution for the years ended June 30, 2021 and 2020 was \$216,833 and \$196,790, respectively.

Notes to Combined Financial Statements (continued)

### 6. Liquidity and Availability of Resources

The Home's working capital and cash flows have seasonal variations during the year attributable to receipts from fundraising events and concentration of donations near calendar year end. To manage liquidity, the Home maintains at least \$250,000 in a money market account with a commercial bank that may be drawn upon as needed during the year to manage cash flow and then repaid in full after collections of events or donations. In addition, the Home can request funds from the Foundation which has assets in excess of \$10 million.

The following reflects the Home's financial assets as of the balance sheet date, reduced by amounts not available for general use within one year because of contractual or donor-imposed restrictions or internal designations. Amounts not available include board designated reserve set aside for operating and other reserves that could be drawn upon if the board of directors approves that action.

	As of June 30, 2021	As of June 30, 2020
Current financial assets		_
Cash and equivalents	\$ 2,281,241	\$ 2,409,082
Cash and equivalents, restricted	6,946,878	5,457,748
Accounts receivable, net	5,140,131	2,234,236
	14,368,250	10,101,066
Less resources unavailable for general operations within one year due to donor-imposed time or purpose restriction: East Campus Expansion, net of construction in progress in the amount of \$3,875,510 and \$593,692, respectively	(10,464,934)	(7,165,666)
Grants	(133,969)	(214,847)
Programs and other	(44,806)	(39,291)
_	(10,643,709)	(7,419,804)
Financial assets available to meet cash needs for general expenditures within one year	\$ 3,724,541	\$ 2,681,262

Notes to Combined Financial Statements (continued)

#### 7. Investments

The Foundation's investments at June 30, 2021 are as follows:

	Cost	Market Value*
Common stock	\$ 5,563,522	\$ 8,795,107
Mutual funds	2,688,827	2,651,854
Corporate bonds	355,372	357,175
Government bonds	32,124	32,193
Mutual funds – alternative investments	747,000	815,991
Mutual funds – real assets	450,118	470,116
	\$ 9,836,963	\$13,122,436

The Foundation's investments at June 30, 2020 are as follows:

	Cost	Market Value*
Common stock	\$ 5,323,042	\$ 6,167,151
Mutual funds	1,863,827	1,840,368
Corporate bonds	458,260	465,897
Government bonds	187,662	189,191
Mutual funds – alternative investments	747,000	733,640
Mutual funds – real assets	450,118	358,544
	\$ 9,029,909	\$ 9,754,791

<sup>\*</sup>Within the fair value hierarchy, the Foundation's assets and liabilities are categorized as Level 1 as they are valued at the closing price reported on the active market on which the individual securities are traded.

The Foundation invests in mutual funds with various investment strategies. Mutual funds – alternative investments are publicly traded and hold alternative investments, primarily long and short positions. Mutual funds – real assets are publicly traded and hold investments in real assets.

Notes to Combined Financial Statements (continued)

### 7. Investments (continued)

The Foundation's investment returns for the years ended June 30, 2021 and 2020 are as follows:

	2021	2020
Interest and dividend income	\$ 400,549	\$ 370,261
Realized gain	240,513	39,811
Unrealized gain (loss)	2,553,028	(326,820)
Investment management expenses	(66,360)	(64,158)
	\$ 3,127,730	\$ 19,094

### 8. Loan Payable

As part of the federal government's response to the economic impacts of COVID-19, in March 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted which, among other measures, provided for the Paycheck Protection Program (PPP) administered by the U.S. Small Business Administration. In April 2020, the Organization applied and was approved for a PPP loan in the amount of approximately \$1.1 million. This funding was received by the Organization on April 20, 2020. The PPP loan was forgiven in full in November 2020, and no interest was incurred.

### 9. Commitments and Contingencies

The Home is funded by grants and contracts that are subject to review and audit by the grantor agencies. These grants and contracts have certain compliance requirements and, should audits by the grantor agencies disclose any areas of substantial noncompliance, the Home may be required to refund any disallowed costs.

In the normal course of business, the Company may become involved in various lawsuits, legal proceedings, or investigations. While the ultimate results of these matters cannot be predicted with certainty, management does not expect them to have a material adverse effect on the financial position or results of operations of the Company.

Notes to Combined Financial Statements (continued)

### 10. Net Assets with Donor Restrictions

Net assets with donor restrictions are available for the following purposes as of June 30, 2021 and 2020:

	2021	2020
Home:		
Grants specified for program services	\$ 133,969	\$ 214,847
Gifts specified for program services	40,584	32,352
Capital Improvements	14,340,444	7,759,358
Benevolent fund – society members	4,223	6,939
Total Home net assets with donor restrictions	14,519,220	8,013,496
Foundation		
Endowment Fund	132,626	127,626
Endowment Earnings for Home	45,351	5,476
Total Foundation net assets with donor restrictions	177,977	133,102
Total net assets with donor restrictions	\$14,697,197	\$ 8,146,598

### 11. Board Designated Net Assets

The Foundation's Board designated the Foundation's net assets without donor restrictions as follows as of June 30, 2021 and 2020. The Board monitors the balance of the net assets of the Foundation and with the approval of the Home's Board may change the designation at its discretion.

2021	2020
\$ 3,407,807	\$ 3,407,807
9,908,420	6,803,664
\$13,316,227	\$10,211,471
	\$ 3,407,807 9,908,420

Notes to Combined Financial Statements (continued)

#### 12. Endowments

The Foundation holds a true-donor restricted endowment, which is classified according to donor's restrictions.

The Foundation has interpreted the Texas Uniform Prudent Management of Institutional Funds Act ("TUPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the true-donor restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment by donors, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the true-donor restricted endowments that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by TUPMIFA.

Changes in endowment net assets for the years ended June 30, 2021 and 2020 were as follows:

	June 30, 2021		June 30, 2020	
Endowment net assets, beginning of				
year	\$	127,626	\$	127,626
Contributions		5,000		_
Endowment net assets, end of year	\$	132,626	\$	127,626

#### 13. Donated Assets and Services

The Home receives various types of in-kind contributions. In-kind contributions are recognized at fair value when received and are reflected in the combined financial statements as in-kind support, which is offset by like amounts included in expenses. Contributed services are recognized at fair value if the service (a) creates or enhances long-lived assets or (b) requires specialized skills that are provided by individuals possessing those skills, and would typically need to be purchased if not provided by

Notes to Combined Financial Statements (continued)

### 13. Donated Assets and Services (continued)

donation. The Home received \$131,839 and \$99,109 in contributed assets and recognized \$230,481 and \$209,416 in contributed services for the years ended June 30, 2021 and 2020, respectively. In addition, volunteers donated hours to the Home's program and support services. These contributed services are not reflected in the combined financial statements as these services do not meet criteria for recognition.
