We are thrilled to feature Patrick and his three sons adopted through Helping Hand Home for Children.

Helping Hand Home for Children Builds a Future of Hope

We are overflowing with gratitude at the Helping Hand Home for Children.

Every day, we meet children who have suffered unimaginable abuse and neglect and offer a home for healing. Our rigorously trained professional staff provide intense caregiving, therapy, enrichment, and tailored educational opportunities for healing and growth. We provide an extensive network of members, volunteers, and executive staff who seamlessly work together to ensure the needs of our children are being met, in most cases, far exceeding industry benchmarks.

We meet generous foster and adopt families where they are by offering contextual, technical and immersive training, and support to assist with the heroic choice to be a forever home for children in need. Today, we are overjoyed to share that we are mid-construction and on track to complete our mission to serve more children and families on their unique forever journeys.

Your generous support of the Champions for Children fall luncheon, the spring Crystal Ball, the Building a Future of Hope capital campaign, and gifts throughout the year allow us to expand capacity and improve our healing model. On the following pages, we provide a snapshot of the exciting giving opportunities, generous donors, and mission in action at the Helping Hand Home.

Hope Happens Here.®

Julie Ballard,
Helping Hand Home Board President 2021-22

HELPING  HAND HOME

129 years of Hope

Since our founding in 1893, Helping Hand Home for Children has changed the lives of thousands of children by providing a nurturing and therapeutic home for those who have suffered unimaginable abuse and neglect. What began as missionary work to save one child over a century ago has transformed into a nationally accredited residential treatment center, charter school, and foster and adoption program, forever altering the lives of thousands of children along the way.

Today, Helping Hand Home has more than 100 employees, and thousands of dedicated supporters, volunteers, and members of the Helping Hand Society committed to healing the community’s most vulnerable children. We are proud of the Home’s transformation from an orphanage to a nationally accredited residential treatment center and look forward to another 129 years of protecting the future of our children and helping them achieve happier, healthier lives.

Thanks to community support, Helping Hand Home is able to serve over 400 children and family members each year through a continuum of services that includes:

THERAPEUTIC RESIDENTIAL TREATMENT:

HHH provides 24-hour care for children ages 4-13 experiencing emotional and behavioral problems due to the traumatic stress of severe abuse or neglect.

During 2021, children at Helping Hand Home participated in more than 2,863 various enrichment activities and field trips.

EDUCATION AT ON-SITE CHARTER SCHOOL:

Through a partnership with The University of Texas at Austin, Helping Hand Home operates an on-site charter school which caters to the unique educational and behavioral needs of its children in K-6th grade.

During 2021, Helping Hand Home’s UT Charter School offered 21,450 education hours to our children all of whom are healing from the trauma of childhood abuse and neglect.

FOSTER AND ADOPTION PROGRAM:

The HHH Foster and Adoption Program places approximately 160 children each year in loving homes, recruits and trains foster families, and facilitates and completes adoptions. Helping Hand Home's Foster and Adoption Program serves children from birth to age 21.

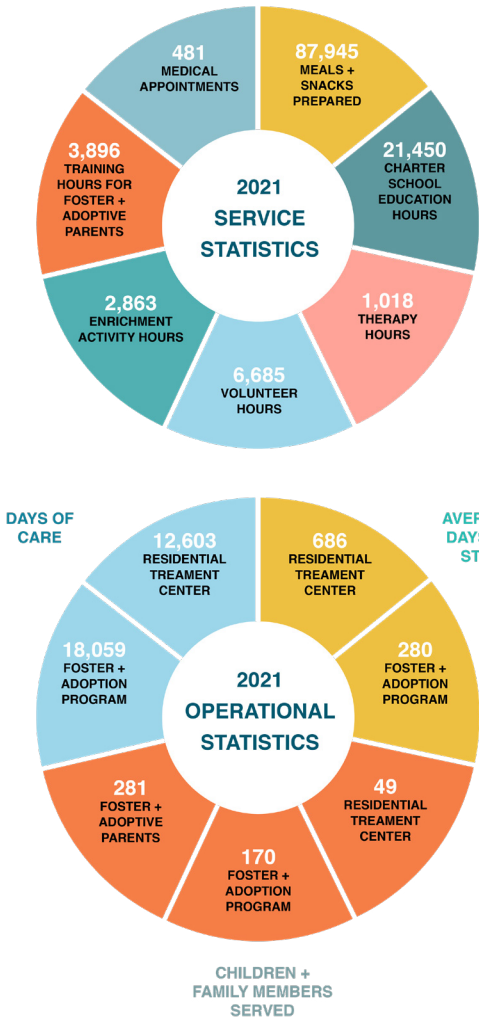

WENDY'S WONDERFUL KIDS PROGRAM:

Thanks to a continued partnership with the Dave Thomas Foundation, Helping Hand Home has two dedicated adoption recruiters who focus exclusively on the hardest to place children in a 30-county area surrounding Central Texas.

FAMILY SUPPORT PROGRAM:

HHH provides parent training, child transition therapy, and post placement services such as home visits and coaching to guarantee the success of each child’s placement in a permanent loving home.

NATIONALLY ACCREDITED PROGRAMS

At Helping Hand Home, we give children and families the best in care through a highly educated staff, low child-to-staff ratio and a comprehensive approach to healing. As an organization we are committed to performance and quality improvement, evidenced-based services, and stakeholder involvement. To assure the highest level of accountability towards this commitment, the Home worked toward and achieved national accreditation in 2017, and reaccreditation in 2021 through the Council on Accreditation (COA). COA accreditation means that our organization's programs, services, administration, and management have been rigorously evaluated and meet best practice standards. We are proud to be a part of this community of excellence.

Helping Hand Home is "Building a Future of Hope" to Serve More Vulnerable Children

Helping Hand Home for Children is pleased to announce that Phase One of our east campus expansion project is almost complete. This project assures that the critical services provided by the Helping Hand Home will be expanded and enhanced. Our children from the Mustangs and Eagles homes recently moved into their “tree house” homes on the east campus. It was an exciting day for the children and the staff. The direct care team worked tirelessly to keep the children on their schedules with as little disruption as possible. When the “Building A Future of Hope” expansion project is complete, together, we will have accomplished the following:

- Constructed and furnished eight new homes where each child will feel safe and secure in her/his own bedroom (a 41% increase in capacity)
- Built office space doubling our foster care and adopt program that will support more children on their journey to a stable, loving and permanent home
- Created a permanent facility for our University of Texas charter school which includes four state-of-the art classrooms
- Provided a community and learning room that will serve as a permanent home for our foster and adoption training classes, our staff trainings, community meetings, and a special events space for the school, and
- Modernized and updated our current campus and technology.

Our goal is for our multi-purpose building to be finished in time for the beginning of school in late August. Phase Two of the homes is now underway and should be completed by year-end.

If you would like more information about how you can support the East Campus expansion project or if you would like a tour, please reach out to Julie Metzger at jmetzger@helpinghandhome.org.

"The successful capital campaign and completion of phase one are historic milestones in the life of the Home and we are extremely grateful for the generous support from the Austin community. "

- Ted Keyser, Executive Director

A special thanks goes to Terri and Chris Von Dohlen, our Capital Campaign co-chairs and their entire committee.

"Dedicated professionals and committed volunteers at Helping Hand Home are angels of help, hope and love for children who have been deprived of these essential elements in life. Restoring children holistically is the mission of this wonderful organization. Brighter futures for girls and boys with happy families are the results of this aspirational work. Surely, we should all want to support these miracles which can be very real."

- Susan and Gary Farmer, Honorary Chairs

Champions for Children 2021: An Incredible Success

The 22nd Annual Champions for Children awards luncheon presented by **Don Hewlett Chevrolet Buick** was an incredible success. Gifts received at the event exceeded our full \$90K match, and that surprise along with generous support from our sponsors, underwriters and attendees helped us raise more than \$750,000 for Helping Hand Home.

We are very grateful to our featured speaker, **Chris Del Conte** who shared his inspiring and deeply moving story about growing up with selfless parents who fostered other children. The Daytripper's **Chet Garner** continues to emcee the event with professionalism and poise.

Congratulations to our Philanthropic Honoree: **Ross Moody and The Moody Foundation** for supporting child welfare, education, and health of minority and underserved populations throughout Texas. Our community awardees are recognized for their dedication to improving the lives of children.

MATCHING GIFTS

Helping Hand Home for Children was also proud to honor The University of Texas Vice President and Athletics Director, Chris Del Conte by unveiling a colorful mural in our playground pavilion designed by artist Danielle DaVerona that symbolizes Chris' father Robert's commitment to children in foster care. The Del Contes operated a group home for abused and neglected children in New Mexico and served more than 150 children in foster care during that time. Chris' humbling childhood experience shaped his personal and professional commitments to his family, college athletics, and organizations like Helping Hand Home, which provide nurturing and therapeutic healing to the children in our care. Special thanks to the Ascension Leadership Academy for their commitment and support behind this project.

HHH Executive Director, Ted Keyser; HHS President, Julie Ballard; Champions for Children co-chair, Melanie Fish; UT Athletics Director, Chris Del Conte; and Champions for Children co-chairs, Jocelyn Johnson and Greg Meserole, unveil the new mural

The Crystal Ball

Benefitting The Helping Hand Home for Children

On Saturday, March 5th, the Helping Hand Home for Children hosted the 79th annual *The Crystal Ball*. Chaired by Kathi Haralson and Tina McCutchin, the day began with a delicious brunch provided by Rosemary’s Catering, a fashion show by Dillard’s and Webber Productions featuring professional models and the crowd favorite – Helping Hand adoptive families, followed by the presentation of the Ball’s first grade Princesses. Jim Spencer emceed the brunch for the 29th year in a row and his presence has become synonymous with this family event.

Guests reconvened that evening for the event’s hallmark black-tie Crystal Ball. Abundant floral decorations by Westbank Flower Market covered the tables, delicate butterfly accents flew across the stage, and 38 debutantes dressed in classic white gowns and their escorts took the stage. Following the presentation, guests of all ages danced late into the night to the music of Blind Date.

The Crystal Ball raised more than \$1.4 million to support therapy, education, and enrichment activities for children in the residential treatment center and children and families in the foster/adoption program.
